	mami2,
	For the attention of Mr n m,
	rue 1

Subject: Non road mobile machinery – Flexible scheme (Royal Decree of 10-08-2005)

Dear Mr m,

Following your request of 24-09-2010 concerning the application for authorization of placing on the market engines under the flexibility scheme as defined in Article 9 of the above-mentioned Royal Decree, I inform you that your company is allowed to put on the market:

50 machines fitted with engines with a powerband category of 130-560kW.

You will find enclosed a copy of your flexibility schemes applications.

In the context of market supervision as regards machinery put on sale in Belgium, I ask you to send pictures (in electronic format) of labels on the engine and on the machine. Those labels are written in English and bear the following elements:

- as far as engines are concerned : « Engine placed on the market under the flexibility scheme »
- as far as machines are concerned : « Machine N° ... of with engine N° with type approval »

Sincerely yours,

The Director general,

Roland Moreau
